

Radio and Electronics Association of Southern Tasmania Incorporated

The Radio and Electronics Association of Southern Tasmania Incorporated (REAST Inc.) is a non-commercial group of people who encourage, develop and educate each other on radio communication and electronic techniques in all its forms with special reference to licensed radio amateurs. This purpose and associated activities will involve young people and REAST is committed to providing an environment that is safe for participation in these activities. The nature of these activities include, but is not confined to, meetings, travel, visits, demonstrations, education, experimentation and radio operation in diverse and sometimes remote locations. The provision of communications systems to motor sport events is a regular activity. When this is undertaken the rules, procedures and controls associated with the activity are those of the organising body which will require its own separate parental consent arrangements to be completed.

PARENTAL CONSENT FORM
