do hereby authorise Radio Association of Southern Tasmania Inc. (REAST) and its representatives to dispose of the equipment listed in this agreement, and in any attachments, at the best reasonably obtainable commercial prices as determined by the appointed Price Estimators.

- I declare I have clear title to all items so detailed and that I am legally able to dispose of these goods
- I understand that the Committee of REAST will appoint at least two members of REAST in good standing to undertake this task.
- I acknowledge that the disposal of these goods will involve REAST in substantial effort, and in recognition of this effort I declare that I will donate 20% of the funds raised, back to REAST Inc.
- I further acknowledge that in the process of disposing of the goods, there may be storage charges incurred and understand that REAST will inform me or my heir(s) or executor(s) of the approximate size of these charges before any goods are placed into storage.
- I understand that all due care will be taken in the handling and storage of any items, but that no liability will be accepted by REAST should an item be lost, misplaced or damaged whilst in their care.
- All parties understand that the sales effort made by REAST will be "best effort" and any unsold goods will be returned to my estate or disposed of after discussion with my authorised family member or estate representative.
- I have read, understand, and agree with the terms of the REAST Estate Liquidation Policy as defined in a separate document.
